

U3A – AGM Wednesday 12th April 2023/Hall Report

As Hall Manager, it is my responsibility to make available these premises to prospective hirers outside the u3a usage, our current long term hirers have been with us for quite a while. We have lost a couple of regular hirers due to the recent Covid issues. The hire fees that are paid go towards the Cleaning, Amenity supplies and other various costs to maintain the building.

Since the Refurbishments have been done, we have a few extra jobs done, have had the Hall re painted, which wasn't in the refurbishment contract, installed a new Zip, Hot/Cold water in the kitchen, along with other cosmetic changes the committee would like some feedback as to what other improvements can be done, we have the funds, but these funds are Council funds and can be spent on improvements to the building only, finally if you have any issues that need addressing or fixing at this facility please let me know.

Thank You/Harry May, Hall Manager.
